2008 Annual Report

Life Will Never be the Same!

Ahhh...how we often long for the Good Old Days! However, we don't think that will be the case once residents of Resthaven Maple Woods get a chance to enjoy their new Chapel and Gathering Room. We know that life will never be the same... in a very good way.

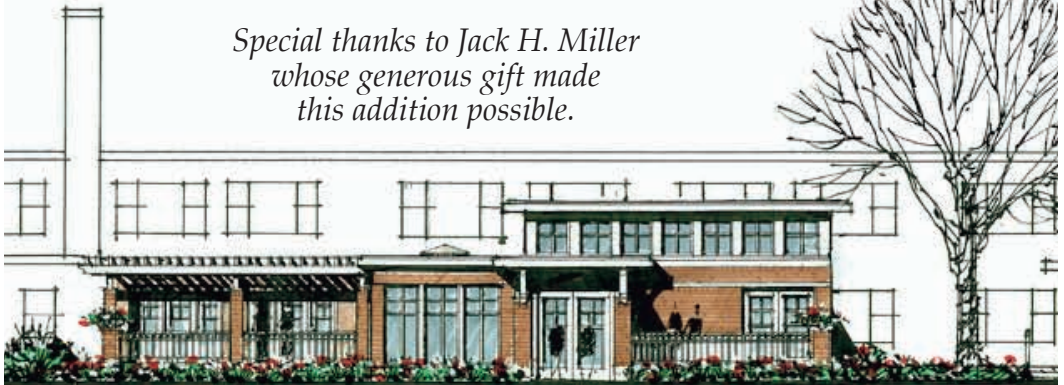

Geneva Rice and Vesta Speet, Maple Woods residents, are looking forward to enjoying the new addition and the Festival.

The Chapel/Gathering Room addition to the north side of the building has residents and their families buzzing with excitement.

Everyone, all of our friends and family are invited to share in the joy and the

fun we'll be having at our Maple Woods Grand Opening Festival on Monday, June 22.

Special thanks to Jack H. Miller whose generous gift made this addition possible.

Good Shepherd Award 2009: Marylin & John Bright

“John and Marylin Bright are two of the most Spirit-filled, authentic, caring, and positive people walking the planet, and they have a true heart for older adults,” declares Mark deRoo, *Resthaven’s* Director of Development.

In 1988, John became Minister of Music at Christ Memorial Church. Marylin spent two years at Rose Park Reformed Church and then moved to Christ Memorial as Director of Women’s Ministries and then Network Director. The couple retired in 2005.

All *Resthaven Care Center* residents enjoy the Christmas party programs John and Marylin provide, as well as Christmas presents given by the Christ Memorial Church Sanctuary Choir each year.

John serves as Power of Attorney for special friend Priscilla Estell. “Priscilla THRIVES at the Care Center as never before in the 21 years we’ve known her,” states John. He frequently pops in to visit Priscilla and may hold a sing-along, get ice cream, or play games.

Marylin relates that for many years their family held inspirational music programs at elder care facilities. The whole trip there would be full of complaining from the Bright’s middle school-aged sons asking

why they were being made to go. “And all of the way home, all four of us would be full of gratitude to God for allowing us to be used by Him in service for the Lord,” says Marylin.

John and Marylin Bright

What makes *Resthaven* special for John and Marylin Bright? “The spiritual, caring atmosphere,” states Marylin. “We see the hands-on, gentle care the staff provides to residents.”

Resthaven’s annual Good Shepherd Award is given to those who:

1. Have a heart for the elderly.
2. Visibly provide significant time or financial resources.
3. Serve as a model to others in the care of Elders.
4. Promote the cause of senior care.

The Good Shepherd Award

Marylin and John join previous award recipients Jack H. Miller, Edna and G.W. Haworth, Vern and Lois Boersma, Dr. Richard Leppink, Marjorie Hoeksema, Darell and Mary Schregardus, and Elsa Prince Broekhuizen.

—ENCORE! LAKESHORE Awards—

Who Will You Nominate?

What do Ben Franklin, Thomas Edison, and Colonel Sanders have in common? They all did their best work as seniors! This spirit is alive and well right here in our community.

Resthaven and the Holland Sentinel are teaming up to celebrate the outstanding achievements of Lakeshore older adults after their retirement by creating the ENCORE! LAKESHORE Awards.

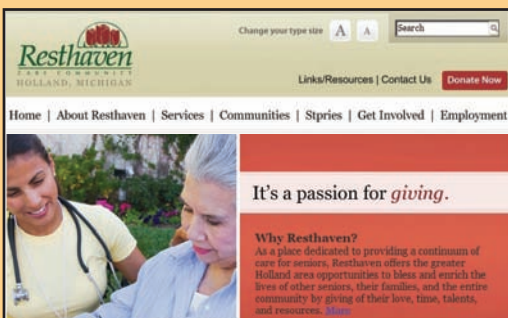

We're searching for seven older adults over the age of 70 who have retired, and then reinvented themselves in order to make a difference in our world.

Through a community-wide nomination process, a panel will choose seven profiles that will inspire, uplift, educate, enlighten, and encourage our community.

These ENCORE! LAKESHORE Award Winners will be honored at a gala to be held October 1, 2009. Then these seven over 70 will be invited to speak with area clubs, schools, and student groups throughout the next 12 months.

Who will YOU nominate? Watch the Sentinel beginning in mid-June for your opportunity to honor those over 70 who have made a difference.

Resthaven.org Undergoing a Transformation

Early this summer, you will be able to visit Resthaven on-line and enjoy our newly remodeled web site. Watch for our new Prayer Ministry, links to resources, Resthaven events, stories from Resthaven, volunteer information, Wisdom of the Elders... and that's just the start!

The multit talented Anderson family features Isaac, Londa, Corban, and Elliot.

Elliot is the oldest at 16, and often plays checkers with a friend who may have difficulty remembering the color of her checkers, but consistently challenges his strategic skills.

Isaac, at age 14, has musical talent that he shares through hymn sings with his mother.

Corban, 12, has found a friend that shares his interest in birds. He

refills her feeders and they enjoy birding magazines together.

Resthaven Volunteer Profile

With the Andersons, Volunteering is a Family Affair

What have three teenage boys discovered about connecting with seniors? "Volunteering at the *Good Shepherd Home* has been an amazing experience for our family," says Londa Anderson.

"Open your heart!" exclaims Londa. "You get far more out of it than you put in."

If you feel called to lend a helping hand in this area or in others, **contact Margo at 616-796-3604 or at margo.horan@resthaven.org**. She will work with you to find just the right fit. There are many opportunities from visiting to helping with special events to office assistance to yardwork... and just about everything in between!

Resthaven Board Member Profile

Reverend John Schmidt

It's a rare but special combination... a pastor who plays the organ, piano, and (of all things) a trombone!

The Reverend John Schmidt has served the pulpit at Second Reformed Church in Zeeland since 1995, and has a big heart for those we serve here at *Resthaven*.

Resthaven At Home

Assisted Living in Your Own Home™

Why move when you can have *Assisted Living In Your Own Home™*?

Resthaven At Home has discovered that for some people, leaving their homes is just not an option.

So, we have created a program, tailored to each individual's needs, to receive just the right amount of assistance right in their own homes.

"My family says it's the best gift I've ever given them," says a loyal client. "And it was far less expensive for what I needed than moving."

Adeline Decker (R), enjoys the gentle touch of Nurse Judy Johnson.

Help us spread the word about *Assisted Living In Your Own Home™*. Anyone can call for a FREE in-home consultation without obligation, 796-3800 in Holland, or 800-839-9320 toll free.

Rev. John is married to the Rev. Dawn Boelkins who teaches at Western Seminary. The couple has a daughter, Becky, who teaches and coaches volleyball for Hope College.

Energized by working with those in his church who desire to be "living in the kingdom," Rev. John is passionate about helping his congregation work toward "doing justice, loving kindness, and walking with God."

"I love our continuum of care at *Resthaven*," says Rev. John. "I love the staff—they truly care for residents and clients. And I love working with colleagues on our Board who want the very best for all the fine folks living this chapter of their life in one of our *Resthaven* communities or with the help of *Resthaven At Home*."

Greetings from the President & Board Chair

Dear Friends,

This report reviews the 2008 operations for *Resthaven*, but what is most important is that the caring touch of *Resthaven* employees and volunteers served hundreds of people every minute and every hour of the day, every day of the year.

Each of these volunteers and employees deserve special thanks for so generously offering their compassion, talents, and skills. We are blessed to have such dedicated people serving the older adults in our community.

There are three very special people who deserve notice. We need to say "good-bye" to retiring Board Members Mike Bosgraaf, Bob Dentzman, and Marcia Westrate. Each has made an exceptional contribution to the future of *Resthaven*, and we will miss their wisdom and generous hearts. Please join me in thanking them for their service when you see them.

We know that it is impossible to accomplish our unique mission without YOU and other community members. Last year, you helped provide very special care and assistance to over 1,000 seniors, many who have limited financial means or who need very special, costly treatment and care. We thank you for your compassion and financial support in helping us maintain a place where our mothers and fathers can get a helping hand.

Yes, these are trying times. The demand for our services is rapidly increasing, and we are looking to the future to see how we can better meet our mission by providing new services. Older adults want to stay at home as long as possible. To answer that need, we have expanded *Resthaven at Home*. We see the numbers of people with dementia and memory loss increasing rapidly, and we are developing new ways to help families and individuals deal with these

Breaking ground for the new addition to Maple Woods is Mike Bosgraaf, former Board Chair; Greg McCoy, current Board Chair; Charlie Vander Broek, President & C.E.O.; Lois and Vern Boersma, and Jim Hinkamp. Lois Boersma and Jim Hinkamp are children of the Reverend Paul Hinkamp, one of the primary motivators behind the building of Resthaven Maple Woods in the 1950's.

devastating diseases. We see new needs for seniors leaving the hospital in need of rehabilitation and recovery and have excellent programs to help them safely return to their homes.

We know that today we need to work even harder, and we also need to ask you to help us a little more. *Resthaven's* mission has never been more vital. Our not-for-profit, faith-based mission, backed by a 64-year legacy of caring, is exactly what the most vulnerable in our area need as they age. *Resthaven's* community-based Board of Trustees assures that we maintain a clear vision and we strive to achieve our mission of quality care that demonstrates the love and compassion of Jesus Christ.

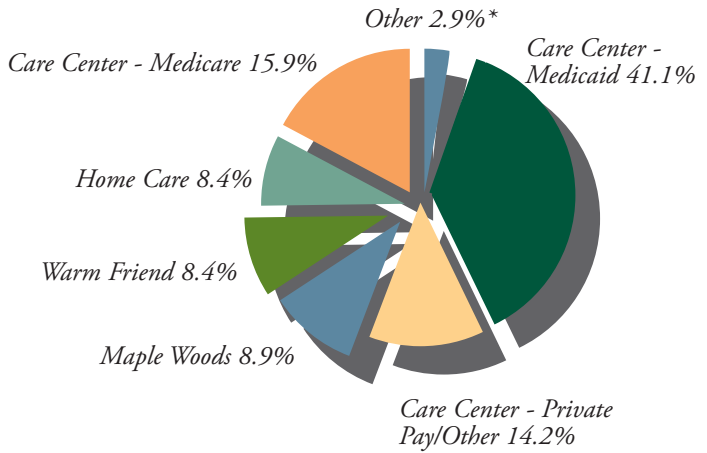

Honoring Our Fathers and Our Mothers,

Charles Vander Broek, President/C.E.O.
